

Shizuoka University Special Admissions for International Students  
**Application Guide for Asia Bridge Program**

October 2018 Enrollment, Undergraduate Program  
(Second call for applications)

Shizuoka University holds an entrance examination for international students from the Socialist Republic of Vietnam, the Republic of Indonesia, the Kingdom of Thailand, and the Republic of India who are enthusiastic about being active globally and contributing to social innovation. After enrollment in October 2018, ABP (Asia Bridge Program) students will intensively study basic subjects (Japanese, Mathematics, etc.) for the first six months. Then they will start taking liberal arts and specialized subjects in each faculty together with Japanese students and graduate in four years.

**[Admission Policy]**

ABP fosters individuals who have broad perspective on both technology and management, and play leading roles abroad, especially in the Asian region. ABP graduates are expected to contribute in the following ways in the future:

- They will be able to manage production, marketing, and sales bases throughout Asia.
- They will be able to discuss technologies in the fields of engineering, agriculture and information-communication in Japanese from the perspective of a local human resource, and be able to promote international expansion by taking advantage of the technological and business strengths of Japanese corporations.
- Graduates from the Faculty of Education will be able to promote school education with a global outlook by attaining a Japanese teacher's license (required for graduation).

**II Application Qualifications**

Applicants must meet all of the conditions in 1) to 5) below.

- 1) Applicants may not hold Japanese citizenship. Otherwise, they must plan to renounce their Japanese citizenship by the time of enrollment. (Applicants who hold Japanese citizenship must contact the admissions office regarding renouncing procedures before applying.)
- 2) Applicants must hold citizenship in the Socialist Republic of Vietnam, the Republic of Indonesia, the Kingdom of Thailand, or the Republic of India.

- 3) Applicants must be able to obtain an appropriate resident status that allows their enrollment to the university as per the Japanese Immigration Control and Refugee Recognition Act.
- 4) Applicants must meet the conditions in either (1) or (2) below.
  - (1) Applicants must have completed 12 years of school education in the Socialist Republic of Vietnam, the Republic of Indonesia, the Kingdom of Thailand, or the Republic of India (including those who expect to complete said education by September 30, 2018). Otherwise, the Japanese Minister of Education, Culture, Sports, Science, and Technology must have designated applicants as a person who meets this standard.
  - (2) Applicants must have passed an examination in their home country (or qualifications equivalent to the national examination, such as the International Baccalaureate qualifications) that confirms that they have the academic ability equivalent or greater to (1) above, and they must turn 18 years old by September 30, 2018. For treatment of GCE A Levels from the United Kingdom's education system, see Table 1 on Page 11.
- 5) Applicants must have spent no longer than three years of total time enrolled in Japanese secondary schools (equivalent to junior high school and senior high school) during their 12 years in school education or an equivalent course of study. If applicants were enrolled in an international school in Japan, or a school that conforms to the Japanese education system in a country other than Japan, that period of enrollment will be treated equivalently to being enrolled in a Japanese school.

[NOTE] If any points regarding the application qualifications are unclear, please contact us referring to the Contact Information on Page 9, before applying. If the application contains any fraudulent or otherwise untrue information, admission may be revoked even after it is granted.

### **III Application Requirements**

Applicants must submit their score reports for the Examination for Japanese University Admission for International Students (EJU) and any English language qualification examinations that they have taken since June 26, 2016. The subjects taken required for application are as shown on Table 2 on Page 12.

Applicants may submit a copy of their examination voucher instead of their score report only for the 1st session of 2018 EJU (Examination Date: June 17, 2018). In addition, applicants may submit their Japanese-Language Proficiency Test (JLPT) scores taken since June 26, 2016 instead of their EJU score only for Japanese as a Foreign Language.

### **IV How to Apply**

Students who wish to apply should prepare all of the documents listed in the following table in accordance with the prescribed format and submit them through the online application site. The application will be complete after pressing the "Final Submission" button on the application site after submitting all of the documents during the application period. If any information has been left out or any falsehoods are discovered, the application may not be recognized.

#### **NOTICE**

\*In case of any discrepancies between the translation and the original Japanese application guide, the Japanese version shall prevail.

### V Selection Methods

#### 1. Selection methods & point distribution

##### First selection

The first selection will be made according to the number of points or grades shown in the following tables for Japanese language proficiency (Japanese as a Foreign Language (EJU) or JLPT), subject examinations (EJU), and English language qualification examinations.

Applicants will not pass the first selection if they fail to attain scores of 50% or greater (for the Faculty of Education, Faculty of Science, and Faculty of Engineering) or 60% or greater (for the Faculty of Agriculture) for each scoring classification (1) as described on Pages 6-7.

##### Japanese language proficiency benchmarks

Faculties and Departments	Japanese language proficiency benchmark (Requires one of the benchmarks to be met)	
	EJU Japanese as a foreign language	JLPT
Faculty of Education	240 points or greater	Pass N1
Faculty of Science	220 points or greater	Pass N1 or N2, or 135 points or greater in N3
Faculty of Engineering	180 points or greater	Pass N1, N2, or N3, or 135 points or greater in N4
Faculty of Agriculture	220 points or greater	Pass N1 or N2, or 135 points or greater in N3

## Second selection

Applicants who pass the first selection will be evaluated according to the following selection methods and point distributions after taking an interview examination.

### 1) Faculty of Education

Training Course for School Teachers			
Selection methods & point distribution	Applicants who pass the first selection will pass this second selection according to the results of their Examination for Japanese University Admission for International Students (EJU), their English language qualification examination, and their interview examination. The language used in the interview examination will be Japanese.		
	The totals for the (1) examinations and (2) interview examination shown in the following table will be calculated independently from each other, and applicants must attain 50% of both portions as the minimum requirement to pass the selection. Applicants will be selected comprehensively in order of their achievements.		
	Point divisions	Subjects (EJU and English) & interview examination	Point distribution
	(1) Examinations (500 points)	Mathematics (course 1 or 2)	200 points
		Japan and the World	200 points
English qualification examination		100 points	
(2) Interview examination (500 points)	Interview examination	500 points	
Regarding the English qualification examinations, the total possible scores for each examination are converted to the scale of 100% (100 maximum points for each).			

### 2) Faculty of Science

Departments	Department of Mathematics, Department of Physics, Department of Chemistry, Department of Geosciences		
Selection methods & point distribution	Applicants who pass the first selection will pass this second selection according to the results of their Examination for Japanese University Admission for International Students (EJU), their English language qualification examination, and their interview examination. The languages used in the interview examination will be Japanese and English. The interview examination will include an oral examination (with questions related to the field of specialization).		
	The totals for (1) academic ability and (2) communication skills shown in the following table will be calculated independently from each other, and applicants must attain 50% of both portions as the minimum requirement to pass the selection. Applicants will be selected comprehensively in order of their achievements.		
	Point divisions	Subjects (EJU and English) & interview examination	Point distribution
	(1) Academic ability (400 points)	Mathematics (course 2)	200 points

## 2. Methods, Period, and Venue for the Second Selection Interview Examination

### 1) Applicants from outside of Japan

The interview examination will be held with individual applicants via an internet connection (Skype). The dates and times for the Skype connection test will be decided through coordination with the applicants who passed the first selection. The details will be sent via email to each applicant. Applicants from outside of Japan should prepare an environment where they can achieve a fast, stable internet connection, and prepare for the interview by acquiring a Skype ID.

If an interview examination cannot be completed during the periods specified by the faculties due to poor connections, then the applicant will be considered absent from the interview examination.

Procedure	Schedule / Period
First selection results announcement	Thursday, August 9, 2018 (at noon, JST)
Notification of interview date (by test voucher)	Friday, August 10, 2018
Coordination of Skype connection test dates	Friday, August 10 to Wednesday, August 15, 2018
Skype connection test	Thursday, August 16 or Friday, August 17, 2018
Interview examination	Tuesday, August 21 or Wednesday, August 22, 2018

### 2) Applicants from within Japan

The interview examination will be held at either the Shizuoka or the Hamamatsu campus. The details will be sent via email to the applicants who passed the first selection.

Procedure	Schedule / Period
First selection results announcement	Thursday, August 9, 2018 (at noon, JST)
Notification of interview date (by test voucher)	Friday, August 10, 2018
Interview examination	Tuesday, August 21 or Wednesday, August 22, 2018

## VI Results Announcements

The results for the first and second selection will be sent via email to applicants according to the following schedule. Furthermore, applicants who pass the second selection will be announced on the website (<http://www.abp.icsu.shizuoka.ac.jp>).

Procedure	Schedule / Period
First selection results announcement	Thursday, August 9, 2018 (at noon, JST)
Second selection results announcement	Friday, August 31, 2018 (at noon, JST)

## VII University Registration and Date of Enrollment

Details will be sent individually via email to the students who have been accepted. If all the required documents for the admission process have not been submitted by the specified dates, the admission decision may be revoked even after the offer is granted.

Procedure	Schedule / Period
University registration	Late September 2018
Enrollment day	Monday, October 1, 2018

## VIII Important Points

### 1. Examination fees and tuition

Entrance examination fees and enrollment fees will not be collected. Tuition will not be collected for the first year. Furthermore, tuition for the second through fourth years will have 50% or 100% of the totals waived depending on student performance. In addition to tuition, other required expenses may arise.

### 2. Initial expenses related to enrollment (outline)

	Event	Expenses
1	Various expenses related to student life - Premiums for Disaster and Accident Insurance for Student Education and Research, Student liability insurance, etc. (for four years) - Student Welfare Society fees (for four years) - Supporters' Association membership fees - Academic conference expenses - Graduation party expenses, etc.	Approximately ¥20,000 - ¥40,000 (These differ according to the faculty and department. Other insurance premiums related to housing may arise.)
2	Group purchase of notebook computers	- Faculty of Engineering Approximately ¥100,000 - ¥150,000 (Students accepted into the university will be contacted individually, but this is a preview of the program.)

\*After completing registration, there may arise a need to pay fees and submit additional documents other than those listed above.

### 3. Living expenses after enrollment

Living expenses after enrollment are the responsibility of each student. Approximately ¥70,000 is required monthly for food, dormitory and miscellaneous expenses.

For more on dormitories, see the following website. <http://www.icsu.shizuoka.ac.jp/japan/0112.htm>
